Practical Methodology of Teaching

“ I hear and I forget. I see and I remember. I do and I understand.” – Confucius

In the world of "Skill Based Careers", gaining knowledge from books and monotonous theoretical sessions doesn't suffice the requirements of the competitive world the kids are going to face. To understand the "professional" life in a better way, it is always the best choice to lay robust foundation from school levels.

Practical learning opens the doors to the universe of "Inquiry based learning", the very prime element essential in the multi folds of life.

Resonance with the practical approach in learning provides unerased memory, in depth understanding of basic concepts, improved problem solving capabilities.

Discipline In Resonance

General Instructions

Resonance bears the responsibility of its students' academic performance and discipline within its premises only. Parents are advised to remain in touch with their wards and keep a strict vigilance on his/her activities and behaviour throughout the academic session.

Timings

Students must be in the class room by 8:30 am. No one will be allowed after the college time. Late permissions need to be taken prior day itself if there is any plan and only on emergency basis. Students

Identity Card

On successful registration of students at Resonance, they get the identity of a "RESOnite" in the form of an I-Card. Students are not allowed to enter Resonance premises if they are not wearing their I- Card.

Student Uniform It is mandatory for the students to wear their uniforms while attending the classes or tests.

Attendance System

At Resonance, students' attendance in classroom sessions and tests is vital to their success in the competitive exams and we have a regular attendance marking and monitoring system. The students/parents are informed of students' attendance regularly. Student must maintain 90 % attendance and must be regular to college. A day absent makes the child loose once chapter completely.

Discipline

Student must maintain complete discipline in the campus once entered. No interaction during the class hours or in corridor or stair case. Coming out of classes after the teacher leaves the class and before the arrival of the next teacher is strictly prohibited. Rude and argumentative behaviour with staff will be strictly dealt.

Academic Discipline

Student must be in the class 5 min before class starting time and be ready for class with the required books. Student must focus during the class and not to discuss with other student while faculty is teaching. Student must complete daily homework and be updo date with learning and practice regularly. Coming out of classes after the teacher enters into the class is strictly prohibited.

Mobile Phone

Students are not permitted to have or use mobile phones inside the college. If any student is found carrying a Mobile phone, it will be confiscated and not returned.

Attire & Hair Style

Students shall be clean and decorous in dress, language and behaviours. Students hair must be neat and of normal colour & cut.

Responsibility towards Premises

Any damage of the college property by any student will have to be adequately replaced or compensated.

Vacations

There is no long vacation at Resonance during the course duration except for Dushera and Pongal holidays. Resonance observes National Holidays and festivals.

Board Test and Reso Test

Students found cheating during examinations, will not be allowed to answer the rest of the papers and promotion will not be granted even if they have passed in their previous tests.

Student Testimonials

Course structure of Resonance helped me in building concepts with strong base and sharp thinking. The faculty were really helpful and supportive. Every teacher will go out of the way to help us clear any doubt even if it is a simple one. Modules were really helpful and it had every concept that was required to crack the exam. Test schedule was designed in such a way that they won't let you forget the concepts. That's what had an edge overall in getting into IIT. Moreover weekly tests were very insightful and helped me develop my concepts and building exam temperament. Finally, I would recommend my juniors to choose Resonance and enhance their preparation

Viswas Jajpura

Myself Sai Chaitanya joined Resonance Vizag for JEE Mains Coaching. I am really grateful to all the teachers for continuously guiding and supporting me towards my JEE attempt. Doubt sessions and test series were very useful to improve my test scores. Thank you team Resonance Vizag.

SAI CHAITANYA
(NIT KURUKSHETRA)

Resonance college provides a stress free learning environment and encourages all the students to excel in academics. Being a less confident student, with the kind of motivation received helped me to crack JEE Adv and Join IIT Patna..

MUSHARAF HANISH
(NIT WARANGAL)

I am Sidhardh joined for short term JEE Mains course in Resonance Vizag. Friendly faculty and doubt classes helped me to understand Chemistry and Math very easily. With two months of coaching, I got admission in VIT Automobile engineering Vellore. Thank you Resonance team for giving me a good career path.

Class Room

Resonance provides fully Air conditioned spacious classrooms with comfortable sized benches along with high quality audio system and good ventilation.

Mentorship

Good teachers know how to bring the best out of students. Resonance has come up with a unique mentoring program that customizes preparation plans based on students' level of aptitude and understanding, a farewell to the age-old "one size fits all" approach. Our mentors work to instill ignition through a personalized performance review after every major test. A valuable counseling session would be useful for students to introspect themselves and improve their academics.

Sports

Sports are an integral part of a student's overall development and key for the competitive spirit. They play a major role in both physical fitness and mental health. While preparing for the toughest exams of India, one needs to be mentally fit. Resonance acknowledged its importance and catered its students a spectacular indoor and outdoor sports facilities.

Cultural activities

Cultural activities are the medium to express one's inner thoughts. They help in developing creativity, social and personal skills. Our socially responsible students performs stage shows to bring the awareness among the students and society. To bring environmental awareness, students make seed bombed clay Ganesha and distributes them to public during Ganesha Chaturthi festival.

Hostel

Resonance has been providing the safe and secure hostel facilities for boys and girls. All hostels are facilitated with CCTV surveillance, laundry service, mess etc. Special care is taken by the management to address the grievances on short notice.

Cafeteria

A healthy diet is crucial for an active mind. At Resonance, our mess is designed to serve healthy and homely food. The menu is decided based on nutrition value it carries to students. Management has made sure to follow all safety and hygiene measures at every stage of food preparations.
